Convenors Sports Reports 2018

There are still a number of sport reports yet to be submitted to CIS. Please forward them ASAP.

The report should include a team list, well as noting players or staff selected to higher honours. A written report on the team's performance at the PSSA or All School's Championship should be included. Finally any recommendations for 2019 should be listed. Thank you to those that have already submitted their reports.

CIS Awards 2018

As many sports have now reached the SSA level, **convenors are reminded that award nominations are now due in all sports with the exception of primary athletics and boys and girls cricket, which are yet to compete at the PSSA and SSA Levels.** A basic outline of award criteria is provided below, to access the full [Award Criteria](#) follow the link. Please ensure that all students from your sport selected in either a NSW All Schools or a NSWPSSA team who went on to represent at the SSA Championship have had their status changed to either PSSA or All Schools. Thank you to those convenors that have already been online to submit their award nominations

Medallion Nominations

CIS medallions are awarded to a student that has been selected in and competes in an either a NSWPSSA or a NSW All Schools Team at the SSA Championships. These nominations are done automatically.

Reds (Primary Award)

These are generally awarded to the best two primary students per sport /per gender, provided they have reached the SSA level in 2018.

Blues (Secondary Award)

These are generally awarded to the best two students per sport/per gender, provided they have reached the SSA level in 2018. The convenor nominates them through their CIS Team Management Area. There are some specific awards criteria mainly relating to individual sports e.g. swimming, athletics, cross country and a few team sports. Please refer to the CIS Awards criteria available on the Awards page of the CIS website.

Red or Blue Bars are awarded to those students whom, for a second year, fulfil the Blue or Red criteria in the same sport.

A Blue with Honours is awarded to an athlete who after representing CIS and NSW All Schools has been named in a national team at the SSA Championships, or where no national team is named achieved at the highest possible level.

Reds, Blues, Bars and Honours are all nominated by the **convenor**. Award Nominations are being accepted in all sports, once the SSA Championships has been completed.

Convenors please assist by nominating for these sports ASAP. If you have any queries about your nominations or how to place them, please contact CIS. Any CIS team in consideration for the Outstanding Primary or Secondary team of the Year should also be nominated.

Heads of Sport and Award Nominations

Medallions, Red and Blue Nomination lists will be forwarded to schools for checking by Friday 16 November. This is your opportunity to check eligible students from your school have been nominated for an award and to contact CIS if you feel that one of your students has been missed. Please check that the student meets the CIS Awards Criteria before contacting CIS.

All Heads of Sport are asked to forward action photos to CIS of all students that have been nominated for a Red or Blue Award in preparation for the Awards Evening to be held in February. This will enable us to prepare for the Awards Evening over the holiday period and reduce the pressure in the chaotic first few weeks of Term 1 2019 for everyone.

The Awards Committee will meet in mid-December to confirm the award recipients for 2018. At this time, the **Outstanding Primary Sports boy and Sportsgirl as well as Secondary Sportsman and Sportswoman for 2018** will be determined. Should you feel you have a student that may be in the running for one of these awards please forward any supporting information from the school that may assist the Awards Committee with their decision.
