NEW SOUTH WALES COMBINED INDEPENDENT SCHOOLS SPORTS COUNCIL LIMITED

In October last year, CIS became a company in its own right, a separate entity. Schools are now the members of CIS and as such should have submitted an Application for Membership form.

The schools list under Sports Associations on the CIS website has now been updated. Only schools that have submitted their forms to CIS appear. If your school is not listed and you wish to access the CIS pathway please contact CIS.

2018 CIS SPORT CONVENORS URGENTLY REQUIRED

At this stage we still do not have CIS Convenors for the following sports in 2018:

- Secondary Girls Football**
- Primary Boys Cricket**

This is now urgent for Secondary Girls Football as planning for the Championships in May is due to begin. This is a great opportunity for someone interested in a sport to become involved in CIS, promoting a pathway for students from independent schools, whilst taking on new challenges in organisation and administration of sport.

If you are interested in being involved in CIS Sport in this way please contact CIS ASAP.

CIS Primary and Secondary Sport Committees 2018 - URGENT

A reminder to all Association delegates, association representatives on each sport committee are required by Friday 9 February. Without a representative on a sports committee your association will be limited to three nominations for a sport. To nominate to a sports committee, the teacher needs to go to the relevant sports page and click on “Nominate yourself as a Committee Member” (about halfway down in the column on the right hand side of the page). Many of our sports are up and running in Term 1 and our convenors would like to touch base with those charged with assisting to organise and run the trials. Please ensure that you sign up ASAP as an association Representative if you have been allocated a role as a committee member for a sport. As a committee member you will play a vital role in communication and the running of the CIS Sports trials.

NOMINATIONS FOR CIS SPORT

Nominations for many sports have been flowing in to CIS. Just a reminder that whenever you make a nomination **IMMEDIATELY** check that it has been received. You can do this by going to your “My Nominations” area. If you can see the nomination there you know it has been received. If you cannot see it in your My Nomination area then try and resubmit.

Remember

If you are having trouble submitting a nomination through the website **CONTACT CIS BEFORE NOMINATIONS CLOSE.**

4. Always check your nominations have been received by

- a) Going to your My Nominations area under My Profile (blue ribbon at top left of screen). If the nomination is not listed here CIS does not have it. Resubmit or contact CIS
- b) Using the Check Nominations button on the main Menu of the CIS website

If you are receiving an error message please send a screen shot to CIS so that we can follow up.

SPORTS UPDATES

Triathlon

Associations should have submitted the names of their allocated team officials to our Convenor Bruce Thomas. If you have not passed on the name and contact details of your officials please submit them ASAP tomorrow.

From the triathlon committee.....please read carefully

On Friday, the final number of participants for the NSW All Schools Triathlon were collated and it would appear that a record numbers of teams have nominated to participate on Thursday.

In the past, our numbers have been around the 700-800 mark however it would appear that in 2018 there will potentially be over 1000 teams.

This is quite a significant and unexpected increase and will mean that the structure and timing of the day will need to be re-assessed and adjusted to accommodate the extra numbers. This may mean parents, staff and students may be inconvenienced at times but we ask that you pass this information on to your athletes, staff and parents and ask them to be patient and flexible in relation to whatever changes are made to allow the event to run as smoothly and as safely as possible.

It is always the goal of the triathlon committee to run a high quality event that encourages maximum participation, however, we will not compromise on safety and at times will need to implement changes at short notice. In saying that, I would ask that you once again touch base the with your teams to ensure that all students are physically capable and confident of completing their leg of the event with particular emphasis on the swim and bike. To register the team you have already acknowledged this, however, considering the extra numbers it may increase the anxiety of some individuals. Please consider these factors before allowing your teams to participate.

As a result of the extra numbers, we may also need to call on schools to provide additional staff to assist with the event. This may be a staff member, parent or volunteer and will be done at the direction of the event coordinators. This will apply particularly to those schools with large team numbers.

We are also calling on schools to assist with extra water safety where possible by asking students / parents with Bronze medallion qualifications and access boards to come along and assist with the swim leg. If you have any contacts that can assist could you please pass on their contact details as soon as possible.

Thank you in advance for your support and promotion of the NSW All Schools Triathlon.
